CHERRY HILL, NJ – June 15, 2017 – Subaru of America, Inc. is proud to announce a major new support initiative to help Camden, NJ residents. Entitled 'Subaru Camden Works,' the initiative is part of Subaru's [Love Promise](#) charitable platform which supports local communities across the U.S.

In an effort to further support its new home community, Subaru Camden Works (SCW) commits funds to various local Camden, NJ community programs which improve the vitality of neighborhoods and enhance the quality of life for residents.

Camden has been a focus of the automaker's philanthropic and employee volunteerism efforts for more than 30 years, and with its move to the city, Subaru is exploring new and creative ways in which it can be part of the city's revitalization. SCW will focus on enhancing the quality of life within Camden communities including employability for its residents and other projects. The initiative kicked off in April 2016 with the announcement of Subaru's first partnership, [Respond, Inc.](#) in North Camden.

Beneficiary programs currently named to this SCW initiative are Camden Schools Foundation, Center for Family Services, Habitat for Humanity, Hopeworks 'N Camden, and Respond Inc. Each

organization has an active presence in Camden aimed at improving the education, welfare and employability of residents.

“We know that improving employability is a key factor in improving quality of life,” said Sheila Gallucci-Davis, vice president, general counsel and corporate responsibility at Subaru of America, Inc. “Through Subaru Camden Works, we are thrilled to support programs that directly improve opportunities for Camden’s residents and we look forward to helping build an even better future for the city.”

Subaru of America, Inc. plans to relocate from Cherry Hill, NJ to Camden, NJ in early 2018. The initial support provided for Subaru Camden Works will assist community programs.
