FOR IMMEDIATE RELEASE

SUBARU DONATES 50 CARS TO MEALS ON WHEELS AMERICA IN CELEBRATION OF 50th ANNIVERSARY IN THE U.S.

Cherry Hill, NJ – August 8, 2017 – In celebration of its 50th anniversary, and in keeping with its philosophy of supporting local communities, Subaru of America, Inc. announced today its donation of 50 vehicles to Meals on Wheels America. This fall, 50 new 2018 Subaru Outback vehicles will be donated to select Meals on Wheels programs throughout the country, to be used in the delivery of an estimated 53,000 meals to an additional 3,700 seniors across 39 states. The donation will address the Meals on Wheels network's growing demand for fuel-efficient, versatile and safe delivery vehicles to enable our nation's most vulnerable seniors to live nourished lives with independence and dignity.

Subaru has supported Meals on Wheels for the last nine years through [Share the Love](#), contributing more than \$12 million to Meals on Wheels America and providing more than 1.7 million nutritious meals, friendly visits, and safety checks to seniors in communities nationwide. Subaru announced the donation to its 630-strong retailer body at the company's National Business Conference in Denver, CO. This was particularly appropriate as Subaru retailers participate in the company's annual Share the Love event and donate to causes in their local community. The company's '50 Cars for 50 Years' vehicle donation will enable Meals on Wheels programs to deliver more nutritious meals and moments of companionship, expanding its reach to seniors in need.

“This generous vehicle donation will have an immediate and indelible impact on local Meals on Wheels programs and the seniors they serve – many of whom live in rural, remote and difficult to reach places,” said Ellie Hollander, president and CEO, Meals on Wheels America. “This latest act of care and kindness further underscores Subaru of America’s longstanding commitment to giving back to communities large and small.”

The Subaru and Meals on Wheels partnership is part of [Subaru Loves to Help](#), a pillar of the automaker’s larger [Subaru Love Promise Community Commitment](#) effort dedicated to making a positive impact on local communities across the country. Each 2018 Subaru Outback donated will be delivered to local retailers and wrapped with Meals on Wheels America and ‘Subaru Loves to Help’ co-branding.

“We were pleased to break this announcement to our retailers as they do so much to help their local communities and showing them the first of 50 vehicles in the metal really brings the program to life,” said Thomas J. Doll, president and chief operating officer, Subaru of America, Inc. “We wanted to celebrate our 50th anniversary in America in a way that is appropriate for our brand and are delighted to donate vehicles that will support local communities by combatting threats of isolation and hunger affecting seniors across the country. At Subaru, we believe in providing safe and reliable vehicles for all of life’s journeys and are honored to partner with Meals on Wheels to help people live more nourished lives.”
