SUBARU HOSTS EVENT TO HELP PETS FIND HOMES DURING 2019 PHILADELPHIA AUTO SHOW

**Automaker Partners with Philadelphia Animal Welfare Society and Morris Animal Refuge
to Help Save Lives of Pets in Danger**

Philadelphia, PA – February 1, 2019 – Subaru of America, Inc. today announced it will be hosting a pet adoption event during the 2019 [Philadelphia Auto Show](#) through partnerships with two local animal shelters – the [Philadelphia Animal Welfare Society](#) (PAWS) and the [Morris Animal Refuge](#) (MAR). Both 501(c)3 non-profit organizations are dedicated to saving Philadelphia's homeless and at-risk animals. The first-of-its-kind event will be held inside the Pennsylvania Convention Center, at the Subaru exhibit, where attendees will have the opportunity to adopt and take home a dog or puppy.

Auto show attendees not looking to adopt a pet can make rope toys as a donation to one of the shelters or for their own pet, as well as create custom pet tags using the Subaru Loves Pets engraver. All activities at the Subaru booth will be complimentary, with donations and proceeds going to PAWS's and MAR's work in the greater Philadelphia and Delaware Valley area.

“At Subaru, we look forward to the additional opportunities to celebrate our furry friends and return the unconditional love they show us each and every day,” said Alan Bethke, Senior Vice President, Marketing of Subaru of America, Inc. “Partnering with organizations such as PAWS and MAR reinforces our commitment to keeping all animals, especially those in shelters, happy; increasing their overall chance of finding safe, loving homes.”

Auto show attendees will be able to interact with these adoptable canines during select times and dates, as outlined below:
